OVERVIEW

The 67km long trek to Annapurna Base Camp is a Himalayan classic. Demanding, but not *too* demanding, this epic itinerary gives you the chance to walk among some of the world's most impressive peaks, and come face to face with an 8,000m peak. Along the way, you'll dive deep in Nepalese culture, discovering a flavour of what makes these mountains so special. As Himalayan specialists, no-one is better placed to guide you on this adventure than Elite Exped.
